

Help support our Mission.

Project Youth 2 Japan is providing you an opportunity to have a piece of history. Purchase a personalized brick paver to be placed in the prayer garden.

You may purchase a brick in your name or for a child, a friend, a company, or someone you've always admired for whom you wish to do something special. How about purchasing a paver in a loved one's memory? Personalized pavers make unique gifts for friends and relatives.

Your support for Project Youth 2 Japan is a special and permanent way to contribute and help our youth reach their goal in mission.
